This month PC 815 Chris FALLE and PCSO 6098 Lesley HARRISON visited Pochin School in Barkby. They had the chance to speak with two classes and discuss their roles within the community, safety around open water, abandoned buildings and railway tracks. The children also got to look at Police uniform, equipment and the Police car.

This month PCSO 6053 Sophie KING and PC 815 Chris FALLE were privileged to attend the 80th commemoration of D Day held at Central Park in Syston and Witness the lighting of the Beacon along with Veterans, local residents and The Lord Lieutenant of Leicestershire.

Now we are finally reaching warmer weather! Patrols are being conducted around all recreation grounds across the beat.

Charnwood East Local Policing Team are still conducting hi-visibility patrols around Check-land Road in Thurmaston. These patrols

Over the last month, there has been a high volume of reports regarding anti-social behaviour taking place at Queniborough Lodge in Queniborough. This anti-social behaviour is ranging from criminal damage, fires, explorers and youths causing a nuisance. Queniborough Lodge is a derelict site with over 55 acres of land. This site is very dangerous and consists of old businesses/workshops which still contains big machinery. This site is not stable and is very dangerous for members of the public to gain access to it.

This site is a gold mine for explorers and for young children to adventure through however, this site is extremely dangerous and somebody could get seriously hurt. We as a beat team are trying our best to get this site secured by the new owners. We are currently patrolling parts of the location which is safe to do so. This is currently a popular spot for youths to go.

Parents and guardians, please can you ensure you know where your children are going, who they are with and that they are safe. Make sure they are not entering this derelict site!
