## What to be

## aware of!

### Another reminder of darker nights :

As darker nights are drawing in, we would like to remind the community to keep good crime prevention habits.

### Here is a checklist for when you are leaving your home unattended:

- Make your home look occupied by leaving a few lights on.
- If you are out all day/night, then it's advisable to use a light timer device to automatically turn on your lights and radios, when your home is unoccupied.
- In the evening, shut curtains and leave a light on.
- Close and lock all windows and doors (even if you're only going out for a few minutes).
- Double-lock any doors.
- Make sure that any valuables are out of sight and away from letter boxes, e.g. car keys, wallets/purses, handbags.

Warm regards your local beat team
