166-24/05 Tysoe Road, Radway

Caller reporting suspicious vehicle in driveway. Occupant was looking around and asking the caller about neighbouring buildings.

Just Another Day for Wellesbourne SNT …

On 5 May PC Reading and PCSO Allen had a busy shift:

- Checking and responding to recent team emails and submitting relevant reports, including checking what had happened across our area overnight.

- Assisting our D-shift Response colleagues with a welfare check on the Shipston Police Safer Neighbourhood Team area following a reported fraud.

- A quick bite to eat at the Touchdown Café, Wellesbourne Airfield, before heading out on morning patrols.

- Dealt with a driver for having no MOT when they were seen driving in Northend on our way to a separate routine incident.

- Patrols of Burton Dassett Hills Country Park and a catch-up with our Police off-road biker team who were training at the location.

- Dealt with an emergency concern for welfare incident in Kineton

- Community engagement at Caffeine & Machine.

- Sent as back-up to an emergency, violent incident, reported in Gaydon

- Speed checks on Loxley Road, Wellesbourne, which is an area identified as a priority by Warwickshire Road Safety Partnership (6% of the vehicles checked were found to be speeding over the 30 minutes spent at the location).

- Area search for some nuisance quad bikes on our way back into Stratford Police Station.

- Sent to an emergency anti-social behaviour incident on Bridge Street, Stratford Upon Avon, just before finishing our shift to deal with a male sitting outside one of the shops causing anti-social behaviour to passers-by.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community can help to keep crime out of your area.
